1. On 29 March 1955, the following Soviet naval units were lying near the entrance to the Soviet Naval Base at Swinoujscie (Swinemuende), three abreast, near the bank of the Swina River:
- a. Three minesweepers
- b. Nine MTBs which looked new, or newly painted. They had torpedo tubes on both sides. There were other MTBs also in the naval base itself.
2. Numerous small Soviet auxiliary craft were milling around on the Swina River near Swinoujscie.
